"The Real Houses of Instagram" Chooses Top 10 Dering Hall Spaces

Dering Hall

beautiful spaces. Her inspiring account (which currently has over a million followers) features thousands of images of sophisticated, serene rooms in homes around the world. We asked Kate to select her ten favorite spaces from the Dering Hall Lookbook--a difficult task, but one we're thrilled she took on. See her top picks and what she had to say about each room.

Kate Rumson, the creative force behind The Real Houses of Instagram, knows a thing or two about

6/10

"There's nothing like a classic white kitchen, like this one by Marks & Frantz. And when it's dressed up with beautiful velvet chairs in this soft shade of blue and complemented by an iridescent backsplash, it is sure to stand out!"
